PHOTOHUNT

Observe closely. Decode the clues. Own the campus.

EVENT FORMAT & TEAM RULES

- **Team size:** Each team may have 1–3 participants.
- **Campus-only hunt:** Every clue will point to a location or feature within the campus. Participants must not leave campus to solve clues.
- **Time limit:** A fixed duration will be announced by the organisers. Teams must solve the clues and finish the hunt within that time.
- **Follow the clue order:** Teams must follow the instructions provided with each clue and submit answers/evidence in the format specified by the organisers.

FAIR PLAY & SAFETY

- Do not damage, move, or tamper with campus property, signs, or objects to solve a clue.
- Do not enter restricted areas or disturb classes, staff, students, or ongoing activities.
- Teams must not share clues or answers with other participating teams during the hunt.
- Use of outside help, misleading submissions, or disruptive behaviour may result in disqualification.

COMPLETION & WINNER DECLARATION

- Teams must report their final answers/submissions before the deadline. Late submissions may not be accepted.
- Winners may be determined by correct answers and completion time; the organisers will announce the final scoring method before the hunt begins.
- Participants must follow all instructions given by the organising team throughout the event.

Any violation of the rules may lead to disqualification. The organisers' decision will be final.

Stay sharp. Stay together. Find what others miss.

PHOTOGRAPHY COMPETITION

One prompt. One perspective. A frame that says it all.

THE CHALLENGE

- A prompt will be announced/provided by the organisers. Your photograph must clearly relate to that prompt.
- Only **recent photographs captured for this competition** are eligible. Older photographs will not be accepted.
- Entries must be the participant's own original work. Plagiarism, copied images, stock photographs, or submitting another person's work is prohibited.

SUBMISSION GUIDELINES

- Submit the final photograph through the official submission method shared by the organisers.
- Keep the original image file available for verification. Camera date/time or original metadata may be checked if required.
- Add a short title or caption if requested in the submission form. Do not include identifying watermarks or signatures on the image.
- Submission count, file format, size limit, and deadline will be announced by the organisers.

EDITING & AI POLICY

- **No AI:** AI-generated images and AI-based image generation, replacement, or manipulation are not allowed.
- Basic adjustments such as cropping, exposure, brightness, contrast, and colour correction may be used.
- Heavy manipulation, compositing, adding/removing major elements, or presenting someone else's work as your own is not permitted.

JUDGING & DISQUALIFICATION

- Entries may be judged on relevance to the prompt, composition, originality, creativity, and visual impact.
- Plagiarism, AI use, misleading metadata, or failure to follow submission instructions may lead to disqualification.
- The judges' and organisers' decisions will be final.

Capture it yourself. Keep it authentic. Let your perspective stand out.

Dates, timings, prompt, and submission link will be announced separately.

VIDEOGRAPHY COMPETITION

Turn a prompt into a story worth watching.

THE CHALLENGE

- A prompt will be provided by the organisers. Your video must interpret and respond to that prompt.
- The submitted video must be **recent and created for this competition**. Previously published or recycled videos are not eligible.
- All footage and creative work must be original. Plagiarism, copied footage, or using another creator's video without permission is prohibited.

FILM & TECHNICAL GUIDELINES

- **Duration:** 2–5 minutes, including credits. (Confirm final duration with the organisers if updated.)
- **Equipment:** Any recording device may be used; cameras/DSLRs are welcome but not compulsory.
- **Resolution:** 720p minimum; up to 4K accepted. Frame rate up to 60 fps.
- Voiceovers and original soundtracks are allowed. If using borrowed music or audio, ensure you have the right to use it and provide credits where required.

EDITING, AI & SUBMISSION

- **No AI:** AI-generated video or AI-based generation/replacement of visual content is not permitted.
- Editing for cuts, transitions, colour correction, sound mixing, and titles/credits is allowed. Do not use copied footage or misleading edits to claim another person's work.
- Submit the final video and keep original footage available for verification if requested.
- The submission link, deadline, file format, and any raw-footage upload requirements will be announced by the organisers.

JUDGING & DISQUALIFICATION

- Entries may be judged on prompt relevance, storytelling, originality, cinematography, editing, and sound.
- Plagiarism, unauthorised use of copyrighted material, AI use, or failure to follow the guidelines may lead to disqualification.
- The judges' and organisers' decisions will be final.

Tell your story with your own lens, your own footage, and your own voice.

Dates, timings, prompt, and submission link will be announced separately.
