Apratim 2026 Requirements (7 Notes)

7Notes — Music Club

Fest Event & Technical Requirements

---

1. SOLO SINGING

Day 1 | Main Stage Event
Tentative Participants: 25

Event Details

A solo vocal competition featuring individual participants performing with backing tracks and/or live accompaniment. The event requires a professional vocal PA setup with wireless microphones, stage monitoring and provision for guitar/instrument accompaniment.

Medals / Trophies / Mementos for Judges

- **1st, 2nd & 3rd Position:** Medals/Trophies
- **Judges:** 2 Mementos
- **Participation certificates**

Refreshments

- **Judges/Management Team:** 6 persons
- **Participants:** Up to 25 persons

Printing/Stationary Requirements

- Participant/Judging sheets
- 2 x Ball Pens
- 4 × FLEX 6x4
- 4 × STANDEE 6x3
- 20 × Certificates (Tentative)

- 60 × A3 Posters

Infrastructure Requirements

FOH / Audio

- **Digital Mixing Console:** Allen & Heath SQ-5
- Main PA system suitable for the main stage and expected audience capacity
- FOH engineer/operator
- 2 × Main L/R PA speaker arrays
- Appropriate subwoofers
- System processor/amplification as required

Microphones

- **2 × Wireless Vocal Microphones**
  - Preferred: **Shure BLX24/SM58**
  - Alternative: **Sennheiser XSW 1-835**
- 2 × Wired vocal/instrument microphones as backup
  - **Shure SM58**
- Wireless systems to include receivers and appropriate frequency coordination.

Drum / Instrument Microphones

For the shared acoustic drum kit:

- 1 × Kick Drum Mic — **Shure PGA52**
- 1 × Snare Mic — **Shure PGA56 / SM57**
- 2 × Tom Mics — **Shure PGA56**
- 2 × Overhead Condenser Microphones
- Appropriate mic stands/clips

Stage Hardware

- 2 × Adjustable microphone stands
- 4 × Stage wedge monitors
- **1 × dedicated wedge monitor near drummer position**
- Acoustic drum kit (5-piece)
- Drum throne
- Appropriate drum hardware
- 1 x Guitar Stand
- Stage risers/platforms as available

Cables & Connectivity

- 2 × 1/4" TS instrument cables
- 1 × DI Boxes
- Power extension boards
- Heavy-duty extension cables
- Cable ramps/tape for stage safety
- Adequate power outlets on stage

---

2. DUET / GROUP SINGING

Day 2 | Main Stage Event
Tentative Participants: 20

Event Details

A vocal performance competition involving two or more singers per performance. The setup should accommodate multiple vocalists, live instrumental accompaniment and/or backing tracks while maintaining adequate stage monitoring.

Medals / Trophies / Mementos for Judges

- **1st, 2nd & 3rd Position:** Medals/Trophies
- **Judges:** 2 Mementos
- Participation certificates

Refreshments

- **Judges/Management Team:** 6 persons
- **Participants:** Up to 20 persons

Printing Requirements

- Judging sheets
- 4 × FLEX 6x4
- 4 × STANDEE 6x3
- 20 × Certificates (Tentative)
- 60 × A3 Posters

Infrastructure Requirements

FOH / Audio

- Allen & Heath SQ-5 Digital Mixing Console
- Main PA system
- FOH engineer/operator
- Main L/R PA
- Subwoofers
- System processing/amplification

Microphones

- **4 × Wireless Vocal Microphones**
  - Preferred: **Shure BLX24/SM58**
  - Alternative: **Sennheiser XSW 1-835**
- **2 × Wired Vocal Microphones**
  - **Shure SM58**
- Additional wired microphones as backup

Drum / Instrument Microphones

Shared acoustic drum kit:

- 1 × Shure PGA52 — Kick
- 1 × Shure PGA56 / SM57 — Snare
- 2 × Shure PGA56 — Toms
- 2 × Overhead microphones
- Required stands/clips

Stage Hardware

- 4 × Microphone stands
- 3 × Stage wedge monitors minimum
- 1 × Dedicated drummer monitor
- Acoustic drum kit
- Drum throne
- Drum hardware
- 1 x Guitar Stand

Cables & Connectivity

- 2 × Guitar/instrument cables
- 1 × DI Boxes
- Stage power distribution
- Extension boards
- Cable ramps/tape

---

3. SOLO INSTRUMENTAL

Day 2 | Fun Stage Event
Tentative Participants: 8

Event Details

An individual instrumental performance event allowing participants to showcase their skills on instruments such as guitar, keyboard, flute, violin and other suitable instruments.

Medals / Trophies / Mementos for Judges

- **1st, 2nd & 3rd Position:** Medals/Trophies
- **Judges:** 1 Mementos
- Participation certificates

Refreshments

- **Judges/Management Team:** 6 persons
- **Participants:** Up to 8 persons

Printing Requirements

- Judging sheets
- 10 × Certificates
- 4 × FLEX 6x4
- 4 × STANDEE 6x3
- 60 × A3 Posters

Infrastructure Requirements

FOH / Audio

- Suitable PA system for Fun Stage
- Small/medium-format mixer
- FOH operator
- 2 × Main PA speakers
- 1 × Stage monitors

Microphone

- **1 × Vocal/Instrument Microphone**
  - Wired: **Shure SM58**, or
  - Wireless: **Shure BLX24/SM58**
- 1 × Adjustable microphone stand

Instrument Connectivity

- 2 × 1/4" TS instrument cables
- 1 × DI Boxes
- Suitable DI connectivity for keyboards/electronic instruments
- Spare instrument cables

Stage Hardware & Power

- 1 × Stage wedge monitors
- Adjustable microphone stand
- 1 x Guitar Stand
- Adequate electrical outlets
- Extension boards
- Heavy-duty power extensions
- Cable tape/ramps

---

4. FUSION BAND

Day 1 | Main Stage Event

Event Details

A 40–50 minute live performance by **Aavartan**, featuring a full electric band setup with vocals, electric guitars, bass and acoustic drums. The performance requires a complete professional live-stage setup with individual instrument channels, stage monitoring and a dedicated FOH mixing console.

Medals / Trophies / Mementos

- **No competition medals/trophies required**

Refreshments

- **Band:** 6 members

Printing Requirements

- 1 × Main Stage Performance Banner
- 4 × FLEX 6x4
- 4 × STANDEE 6x3
- 6 × Certificates
- 60 × A3 Posters

Infrastructure Requirements

FOH / Mixing

Required:

- 1 × Allen & Heath SQ-5
- 1 × FOH engineer
- Main L/R PA system
- Subwoofers
- Appropriate system amplification/processing
- Digital stagebox/SLink connectivity if required by the stage layout

Vocal Microphones

Lead Vocals

- **2 × Wireless Vocal Microphones**
  - Preferred: **Shure BLX24/SM58**
  - Alternative: **Sennheiser XSW 1-835**

Chorus / Backing Vocals

- **2 × Wired Vocal Microphones**
  - **Shure SM58**
- 2 × Adjustable microphone stands

Electric Guitar — Lead

- **2 × Instrument cables**
  - Guitar → NUX MG-30
  - NUX MG-30 L output → Mixer/DI
  - NUX MG-30 R output → Mixer/DI

Required

- 2 × High-quality 1/4" TS instrument cables
- 2 × DI Boxes **or suitable direct mixer inputs**
- Stereo input channels on mixer

Important: Since the MG-30 is being used in stereo, **both L/R outputs should be retained** rather than summing the processor to mono.

Electric Guitar — Rhythm

Required

- 1 × High-quality 1/4" TS instrument cable
- 1 × DI Box, if required

Bass Guitar

- 1 × High-quality instrument cable
- 1 × DI Box

Acoustic Drum Kit — Fully Mic'd

A complete acoustic drum kit should be provided and fully miked.

Drum Kit

- 1 × Kick Drum
- 1 × Snare
- 2 × Rack/Floor Toms
- 1 × Hi-Hat
- 2 × Crash/Ride Cymbals
- Appropriate drum hardware
- Drum throne
- Double Kick pedal

Drum Microphones

Kick

- 1 × **Shure PGA52**

Snare

- 1 × **Shure SM57 / PGA56**

Toms

- 2 × **Shure PGA56**

Overheads

- 2 × Condenser microphones

Hi-Hat

- 1 × Condenser microphone, preferably

Stage Monitoring

Minimum Requirement

- **4 × Stage Wedge Monitors**
- **1 × Dedicated drummer monitor**

Stage Hardware

Microphone Stands

- 4 × Vocal microphone stands
- 6 × Drum microphone stands / boom stands

Instrument Hardware

- 2 × Guitar stand
- 1 × Bass Guitar stand
- Drum throne
- Complete drum hardware

Cables & Connectivity

Instrument Cables

- **6 × High-quality 1/4" TS instrument cables**
- Minimum 15–20 ft recommended
- 2 × Spare instrument cables

DI Boxes

- **4 × DI Boxes**
    - Lead guitar stereo: 2
    - Rhythm guitar: 1
    - Bass: 1

Stage Connectivity

- Cable ramps
- Gaffer tape
- Cable ties/Velcro
- Labelled cables for quick changeovers

Power Requirements — ALL EVENTS

Adequate **stage power distribution** must be provided for all events.

Required

- Multiple grounded 230 V power outlets on stage
- Heavy-duty extension cables
- Surge-protected power distribution boards
- Separate power distribution for audio/instruments where practical
- Power points near:
    - Guitar/bass positions
    - Keyboard position
    - Drum area
    - Stage-side equipment
    - Wireless receiver/technical area
- Cable ramps/tape to prevent trip hazards

No unprotected domestic extension boards should be used for high-load stage equipment.
